Certificate

of Completion

Tamkeen

This Certificate is presented to

Maria Ibrahim

This certificate is awarded in recognition of successfully fulfilling all course requirements in the
Frontend Development training track delivered by Tamkeen.
The participant submitted a final project evaluated by the training committee based on HTML/CSS, JS/React, and Creativity, receiving a final overall rating of Very Good.
The program covered semantic web structures, responsive layouts with CSS and Bootstrap and building interactive user interfaces with React.
Maria Ibrahim has successfully completed the Frontend Development track with a total of 120 training hours.
