Tamkeen

Letter of Recommendation

This letter is to recommend **Bahaa Husain**, who successfully completed the Artificial Intelligence Training Track delivered by Tamkeen, totaling 110 training hours.

Throughout the program, they demonstrated strong skills in Python programming, AI concepts, machine learning workflows, deep learning fundamentals, data handling, visualization, and AI model development.

Their final project reflected strong technical execution, analytical thinking, and the ability to apply AI techniques to solve practical problems, earning a final score of [86/100].

Bahaa Husain demonstrated a strong problem-solving mindset, attention to detail, and a collaborative approach throughout the training program.

We recommend **Bahaa Husain** for professional opportunities in Artificial Intelligence and Machine Learning, and trust that they will bring value to any technical team.
