Certificate

of Completion

Tamkeen

This Certificate is presented to

Majd AlBitar

This certificate is awarded in recognition of successfully fulfilling all course requirements in the Mobile Development training track delivered by Tamkeen using Flutter.
The participant submitted a final project evaluated by the training committee based on code quality, performance, architecture, usability, and documentation, receiving a final score of [70 / 100].
The program covered Dart language fundamentals, Flutter project architecture, responsive layouts, state management patterns, API integration, testing, version control with Git, and application deployment.
Majd AlBitar has successfully completed the Flutter Development track with a total of 110 training hours.
